7TH ANNUAL GALA

Our Mission:

To promote the dignity, independence and success of persons with disabilities through quality vocational and support services so that they may fully participate in the economic and social life of the community.

COR Enterprises celebrated its 7th Annual Gala on June 8, 2012. The event brought two hundred people to COR's new location at 2121 Lampman Drive, for an evening of food from Tiny's Tavern, games, auctions and entertainment to benefit COR Enterprises.

The evening began with great food and an opportunity to bid on some fabulous silent auction items. COR's own Jodi Mackay emceed the event and Gregg Hafner, Vocational Rehabilitation Director at COR, provided the crowd with a history of COR's services. Mark Jackson, former NFL great, gave a brief talk about the value of teamwork and his impression of the great work COR Enterprises does in our community. Mark also signed autographs for excited fans. The fun continued when celebrity hosts, Big J of Hot 101.9 and Cory Nette, a client at COR and Big J's most popular call-in guest, began the live auction. Through lots of jokes, laughter and bidding, event-goers purchased wonderful items and supported COR Enterprises' mission. COR wishes to send a huge thank you to Mark Jackson, Big J and Cory Nette for their participation in our event.
